

Welcome to the Columbia Band Family!

Your child needs you and so does the band. With a band family of near 160 students and the expenses that go with such a large group, our goal is always to keep your out of pocket cost for each activity to a minimum. That means lots of work and a bit of fundraising for us all. Just like in any family, everyone needs to chip in their time and talents to keep the show on the road. Fortunately, there will be many different opportunities throughout the year for you to help out. We ask each family to sign up for as many areas as possible to make our band the best it can be.

By placing your contact information on this page along with the area where you wish to volunteer, you may be contacted by a Band Booster volunteer from that area.
